

High School Administrators

Syracuse University Project Advance (SUPA) offers Syracuse University courses to qualified high school students. But the students are not the only ones who benefit from this partnership.

SUPA can help create a “college-going culture” in high schools, where students are challenged by college coursework and learn they have the ability to succeed.

The SUPA Advantage

Learn how SUPA compares to programs like AP and IB, and how SUPA has served as a model for other programs ([more](#))

Student Benefits

Studies show that SU concurrent enrollment courses offered through Project Advance provide a unique opportunity for college-bound seniors to see how well they will transition to university academics. ([more](#))

Teacher Benefits

SUPA adjunct instructors receive top-notch professional development and become part of a community of teachers and learners who seek to inspire. ([more](#))
