

High School Counselors

Syracuse University Project Advance (SUPA) offers Syracuse University courses to qualified high school students. Helping students navigate concurrent/dual enrollment is a unique circumstance that often connects SUPA with high school counselors.

There are resources and information available to assist you and the students you work with:

Counselor Information Sessions

Connect with our SUPA staff by attending a counselor information session near you! Look at the schedule for upcoming information session details. ([more](#))

Registration Overview

Is a student you work with having trouble navigating the registration process? Visit our registration overview page for information and resources to aid in completing registration. ([more](#))

Transcript & Credit Transfer

Once a student is officially registered for a SU course through Project Advance they are eligible to request an SU transcript and attempt to have those credits transferred. ([more](#))
