Your NetID and Access to Syracuse University Online Resources

Your NetID is your personal identifier that allows you to access many SU resources. Once you receive your SUID number, you should activate your NetID at the [NetID self-service page](#). Below are resources that explain the importance of your NetID and how to manage your NetID.

SU resources use Microsoft Multifactor Authentication.

IMPORTANT! If you do not update your password annually, **your account will be locked**. If you cannot login to MySlice and your account may be locked, you will need to call the ITS Help Desk at (315) 443-2677 and have them unlock you account.

Please keep your email address up to date in MySlice so you receive the annual notification to change your password.

For more information, please view the Managing Your NetID video.
