

Project Advance

Adjunct Instructor Scholarship Application

Applications for scholarship assistance should be received at the Project Advance office six weeks prior to registration for the course(s) for which you seek approval. To be eligible for a Syracuse University Project Advance Adjunct Instructor Scholarship, teachers must be: (1) teaching at least one section of an SU course during the academic year; and (2) SUPA certified and in good standing. Syracuse University Project Advance reserves the right to limit scholarships as well as the amount of scholarships.
