

Syracuse University Project Advance

BIO 360 Prerequisite Fulfillment Form

Prior to enrolling in the Syracuse University BIO 360 Biology Laboratory Assistant (1 Credit) course offered through Project Advance, the student must meet the Science Department prerequisite fulfillment.

This form documents (upon completion by the SUPA Adjunct Instructor) that the prerequisite has been fulfilled. Please note this form must be attached to the signed registration form. No student will be eligible to register without this documentation.

I Certify that

Student Name

High School

Has fulfilled the prerequisite requirements for BIO 360 by:

Register and Successfully completed the SUPA BIO 121, 123 and 124

Instructor Signature
