

## Syracuse University Project Advance

### URP 150 Eligibility Fulfillment Form

Prior to enrolling in the Syracuse University URP 150 Science Research course offered through Project Advance, the student must meet the Science Department eligibility fulfillment.

This form documents (upon completion by the SUPA Adjunct Instructor) that the student is eligible to register. Please note this form must be attached to the signed registration form. No student will be registered without this documentation.

I Certify that

\_\_\_\_\_  
Student Name

\_\_\_\_\_  
High School
