

Syracuse University Project Advance

URP 250 Eligibility Fulfillment Form

Prior to enrolling in the Syracuse University URP 250 Science Research course offered through Project Advance, the student must meet the Science Department eligibility fulfillment.

This form documents (upon completion by the SUPA Adjunct Instructor) that the student is eligible to register. Please note this form must be attached to the signed registration form. No student will be registered without this documentation.

I Certify that

Student Name

High School

Has fulfilled the eligibility requirements for URP 250 by:

- Was registered for the high school science research program in their sophomore and junior year
- Is of senior standing in the High School
